

Permission to Display Art on Exploring Art's Website

Dear Parents,

Part of the excitement when doing art is showing it off. Exploring Art has an on-line art gallery where we display completed projects done by children. We would love for your child to participate, but we need parent permission. Along with a picture of his/her artwork, only your child's first name, grade level, and city/state will be published. If we choose your photograph, you will be contacted. Thank you for participating.

**Sincerely,
Exploring Art**
